

Article 5. Transfer to Samtskhe-Javakheti State University

1. Transfer to the University (hereinafter referred to as mobility) is carried out in accordance with the Order N10 / N of the Minister of Education and Science of Georgia dated 04 February 2010 on the Transfer from Higher Education Institution to Higher Education Institution.

2. A student studying at an authorized higher education institution (HEI), or an unauthorized HEI whose educational program is deemed accredited by law, or a student of a foreign / occupied territory HEI whose program and results Will be recognized as a Georgian Education, Sci BIS, Culture and Sports Ministry.

3. Mobility may be exercised within one step of higher education, twice a calendar year, within the timeframe set by the National Center for Educational Quality Enhancement in the vacancies registered and published by the University at the National Center for Educational Quality Enhancement.

4. The student's right to mobility arises after one year of teaching at the relevant level of higher education. The period of study does not include the time during which a person was suspended from his / her student status, except when the institution was liquidated without the assignment of a successor, the institution lost authority, or the educational program was no longer implemented. In such a case, the National Center for Educational Quality Enhancement calls for extraordinary mobility.

5. A person registered for mobility registered on the electronic portal created by the National Center for Educational Quality Enhancement, in case of granting the right to mobility by the Center, shall be obliged to apply to the University within the timeframe set by the Center and the University, along with the documentation required by the University. Applicant for mobility who does not meet the deadline

Appeals to the University, loses the right to enroll in this educational program, except as provided by law.

6. Depending on the specifics of the receiving educational program or if there is a competition for the program, the prerequisite for mobility is determined by the relevant faculty, the prerequisite being posted on the university website.

7. In the event of a student enrolling in a transfer, the mobility committee established by the admissions faculty shall determine the compatibility of the student program and university curriculum in accordance with Article 10 (Rule of Recognition) of this Rule. If a person applying for mobility agrees to the recognized credits, he / she shall sign the so-called credentials. "Letter of Consent". The University presents the credits and the "Consent Letter" to the person applying for mobility through the e-portal of

the National Center for Educational Quality Enhancement. After receiving consent from the center, a legal act of the university rector on student mobility is issued.
